

Era Press EP60

Horizontal Hydraulic Press

Powerful Swaging and Metalworking Press

FEATURES

- Expands and reduces tube and pipe ends
- Performs metalworking press operations
- Tooling available for tube flaring & flanging
- Square and rectangular tooling available
- Programmable touchpad control with back-lit LCD display
- Heavy duty structure and rigid components
- Adjustable working speed and hydraulic force
- Quick-change modular tooling
- Remote pendant with low voltage controls
- Programmable cylinder positioning
- Hydraulic material clamping system
- Hand-held remote control certified class three safety
- LCD touch screen control
- Unlimited program storage with USB
- Punch or finger-style swage tooling
- Energy saving motor shuts off when not in use
